

Grievance Redressal Committee for Academic Year 2026-2027

The **Students Grievance Redressal Cell** at Holy Grace Academy of Engineering is committed to fostering a supportive, impartial, and inclusive academic environment for all its stakeholders. The Cell provides a structured mechanism to address concerns and complaints related to institutional activities, with a primary focus on student-related issues.

Students are encouraged to express their grievances through a formal and transparent process, in line with the norms and policies of the institution. The Cell ensures that every grievance is addressed promptly, fairly, and confidentially, aiming to resolve issues in a constructive and respectful manner.

Regular meetings are conducted to review the nature, frequency, and underlying causes of grievances. Based on this assessment, the Cell implements appropriate measures to enhance student welfare and institutional harmony.
